Welcome, Santhosh !
To get up and running quickly, please follow the steps outlined below.
Send your first emails with Twilio SendGrid
Create a sender identity
Before sending email, you'll need to create a sender identity. There are two ways to do this, but we recommend creating a Single Sender to get set up quickly and test your email integration.
Create a Single Sender
Authenticate a domain instead
Your sender identity is the "from" email address your recipients will see in their inbox. Learn more about this.
